# How will you get to school in the future? Design your dream ride!

**Let your imagination go wild!**

- How will you get around? Will you fly, zoom, cycle, go underground ... or something else?
- How many people can you take?
- Will it run on sunshine, rainbows, compost or something else?
- What cool gadgets will it have?

Draw your ride on the blank page.

## BE IN TO WIN!

A prize pack including:

- $50 Sportsworld voucher
- $50 PaperPlus voucher

# Caregivers!

**Cambridge Connections is a project that will shape transport for the next 30 years. Our children are the ones who will inherit the plan, so we want to hear the voices of families and understand what's important for our future generations.**

# We want your ideas!

**Share your solutions - big and small, for now and the future**
